1. Agenda Review – Purpose of the Meeting

Scott Wadle welcomed everyone and facilitated a review of the meeting agenda. No changes to the agenda were requested.

2. Review – Project Update

Scott provided a brief review of the project progress to-date. Using a PowerPoint, Scott reported the progress with the various plan elements and that the project is on-schedule.

3. Review – Materials for Open House

Scott provided a quick overview of the materials to be presented during the Open House. The Steering Committee members reviewed the Priority Network map and suggested the changes listed below. The Steering Committee consensus was to proceed with the draft lists of on- and off-street bicycle facilities, with the recommended changes listed below.

- Add 31st Street from I-235 to Old Lawrence Road, then north on Old Lawrence Road to the Ark River Path
- Add 18th Street from Porter Avenue to the Little Ark River Path/17th Street

Peter facilitated a review of the draft PowerPoint for the Open House. The Steering Committee recommended the following changes.

- Add the cost per mile of some facility types to the costs slide
- Format the pie charts to show the corresponding colors for facility types
- Move the funding slide to after the introduction of the map systems
- Reduce the text and add “opportunity to apply for up to \$12.5 million” to the funding slide
- Add a slide with information about routine accommodation before the funding slides

4. Review – Better Block Images

Peter Lagerwey, presented images from the Better Block event and described the event.

5. Review – Training and Sign-Up

Committee members were asked to volunteer to help man stations at the Open House by signing the volunteer sign-up sheet. Pete provided some pointers for volunteering at the event.

6. Review – Better Block

Scott indicated that posters for the Better Block event were available for Steering Committee members to pick-up.
